

The Breastfeeding Club

What our moms have to say
about club. . .

"The Breastfeeding Club is my chance to
escape for a while and have grown-up
conversations with other moms."

"I love that I can go to club and get advice
from other moms on parenting and
breastfeeding."

"The Breastfeeding Club has given me the
opportunity to build relationships with other
moms. It feels like family."

We would love for you to join us at Breastfeeding Club. Our purpose is to support moms and moms-to-be with breastfeeding, parenting, and other personal goals. The club meets monthly and is a great opportunity to share ideas with other moms, encouraging and helping each other to feel their very best. Think of it as time out of your busy day to pamper yourself. There is no cost and everyone is welcome.
